All -

I just heard on Fox this am (4/17) that our Navy SEALs that are being prosecuted for hitting a terrorist... yes, I said hitting a terrorist in the face (brothers and sisters do that!) are being moved back to Iraq for this trial! This is absurd - this makes my blood boil that they are even being tried! More or less sent now to Iraq - they are being sent back to IRAQ to finish the trial - because apparently the "victim" would not come to the US...so the judge says... "Move it to Iraq". This is totally ridiculous that our men who are trained to fight and KILL for us and our freedoms are being prosecuted because THEY HIT AN ENEMY TO THIS COUNTRY! These men have the skills to "tear from limb to limb" ...and I pray that our men learn to tear our enemies from limb to limb...so they won't be around to talk!

So as I watched this story with disgust and horror – and started praying for these men – THE voice said – when two or more joined in prayer – so I had to send out an email to the people I know will say a prayer... as in right now when you read this...stop and say a prayer for the Navy SEALS

In case you aren't great on impromptu prayers... here's some help – I didn't plan on typing a prayer...but as I typed this – it just started coming out of my head to do so – so I've learned to listen to that

Voice – cause I now KNOW who that voice belongs too. Please pass this on to other people who will say a prayer and who believe in our country and our men that fight for our Freedoms and the World's

Freedoms. Most people have no idea the power of prayer – I do – and so I know that we must pray for these men – I request that you say this prayer with me and ask others and **when these men are freed you will once again know without a doubt that God Answers Prayers!**

"Therefore I tell you, whatever you ask for in prayer, BELIEVE that you HAVE received it, and it will be yours." Mark 11:24

PRAYER FOR OUR NAVY SEALS BEING TRIED -

Thank you Lord, for the freedom we enjoy in this country. You have blessed

Us beyond what we deserve. We are all guilty of taking these blessings

for granted and forget the price of Freedom. The men and women who

Serve our Country Lord never forget the price of Freedom – they die for

it every day – just like your son did. He died for our freedom of bondage.

Lord, I humble ask you to intercede on the behalf of our Navy Seals that are being tried

unfairly and unjustly. We trained them to do a mission on our behalf and that's

what they did – the completed their mission...and so now Lord I am asking you

And thanking you for interceding on their behalf – for providing freedom from their bondage –

*their bondage of our Govt from trying them unfairly. **I ask and I declare that they will***

***be acquitted of all charges and that there will be divine intervention** – and these men will*

be able to hold their heads up high for their service to our country. I declare Lord in

all the power that you have given me as a Christian, as a believer, and I am standing on

*Your Word that these men shall be acquitted and **when this happens – NO ONE***
will

doubt that there was DIVINE intervention – that only came from You Lord and once

again – we will have received your mercy. I seal this prayer in Faith, in Trust and

in Truth – In Jesus Name Amen.
