Subject: Tickets for LIBC

Dear Adib,

Many thanks and much appreciation to you and to Middle East Airlines for supporting the Lebanese International Business Council (LIBC) by providing two tickets from Detroit to Lebanon to be awarded to attendees of the Lebanese International Business Council Professional Gathering, which will take place on September 22, 2011.

We will certainly make the biggest ad and promotion for Middle East Airlines among the Lebanese community and I can assure you that this contribution will go a long way to maintaining the excellent relationship between U.S. Lebanese Ex-patriates and MEA.

As you are aware, the LIBC promotes cooperation between Lebanese all over the world and promotes Lebanese businesses and corporations and promotes the support of Lebanon economically and politically. We want to be the lobbyists to support Lebanon in the U.S..

We are enclosing, in a separate e-mail, the LIBC 2011 Professional Gathering information and we trust that we will receive your ticket commitments as early as possible to include in our promotion. Needless to say, your verbal commitment is sufficient to us and we have already announced this to our members and it should help us to bring in more attendees to our Professional Gathering.

Again, we thank you and Middle East Airlines for your support.

Best regards,

Ned Fawaz
