EXPERIENCE

REO Real Estate, Sterling, VA
Bid Coordinator, February 2009-May 2009

Procured, analyzed, and awarded bids for various repairs and maintenance of properties. Worked closely with real-estate agents, contractors, asset managers, loan officers, appraisers and home inspectors as well as buyers and clients in a fast paced environment. Developed and implemented processes to track and manage the multiple elements of property management.

Wild River Outfitters, Virginia Beach, VA
Sales Associate, January 2007-February 2007

Assisted customers with kayak and outdoor gear purchases. Handled military bulk and individual orders.

United States Navy, Norfolk, VA
Information System Technician Petty Officer, Second Class (SEAL)

July 1997- December 2003

Reported to Naval Special Warfare Group Two Training Detachment (TRADET). Helped with the training and combat readiness of four SEAL team task units as a Close Quarter Combat (CQC) instructor, Military Operations in Urban Terrain (MOUT) instructor, and Vessel Boarding Search and Seizure (VBSS) instructor and Range Safety Officer. Developed training and operational standards for deploying SEAL task units.

Reported to SEAL (SEa, Air, Land) Team Two, Naval Amphibious Base, Little Creek Virginia. Underwent extensive operational training. Acted as platoon communications and ordnance representative on two EUCOM (European Command) deployments, being responsible for over two million dollars of mission essential equipment and weaponry. Maintained mission critical communications networks between land, air, and sea platforms relaying time sensitive data during multiple operations in support of peacekeeping missions in Kosovo and Operation Enduring Freedom.

Successfully completed Navy boot camp, Radioman "A" school, Basic Underwater Demolitions/SEAL training (BUD/S), and Army Airborne school.
