**GUARANTY**

I/we hereby absolutely and unconditionally guaranty to Chevy Chase Bank, a division of Capital One, N.A., its successors, endorsees and assigns, (the "Bank"), the prompt payment and performance of all present and future obligations, liabilities and undertakings of the applicant identified on the reverse side of this application to the Bank ("Borrower"), including but not limited to all loans, interest, late charges, fees and attorney fees. I/we give this guaranty in consideration of the Bank granting credit to the Borrower and making loans thereunder. Each person who signs this guaranty is jointly and severally liable to the Bank. I/we agree to pay the Bank all of its costs, expenses, and legal fees in enforcing this guaranty. The Bank does not have to proceed against the Borrower or any security before seeking recovery from me/us. I/we will be liable hereunder regardless of the validity or enforceability of the obligation of the Borrower. Upon request by Bank, each Guarantor will execute and deliver to Bank a Federal Form 4506T authorizing Bank to obtain any Guarantor's individual tax return transcripts.

The Bank may do any or all the following without notice and I/we will remain liable on this guaranty: (a) exchange, surrender, sell, substitute, liquidate, or release any security; (b) renew, extend, modify, accelerate, compromise, or release any obligation of Borrower or any Guarantor; (c) take or fail to take any action with respect to the Borrower or any security or the perfection thereof. This Bank has no duty to any Guarantor with respect to any security.

I/we waive notice of (a) presentment, demand, protest, notice of protest and notice of dishonor; and (b) advances to the Borrower; and (c) acceptance of the guaranty. This guaranty is absolute, continuing and unconditional and I/we will remain liable to the Bank despite the occurrence or non-occurrence of any event which would in the absence of this provision be deemed an equitable or legal discharge of a guarantor. I/we waive trial by jury and the right to interpose set offs, defenses and counterclaims with respect to any action involving this guaranty.

The Bank will not waive any right or remedy by any act, delay, or omission, unless such waiver is in writing and signed by the Bank. This guaranty contains the entire understanding between the Bank and me/us and may not be modified or terminated, except in a writing signed by the Bank. This guaranty will be governed by applicable federal laws and regulations, and to the extent not preempted by such federal laws and regulations, by the laws of the Commonwealth of Virginia, without regard to its conflict of laws rules. Any action regarding this guaranty shall be brought in the state or federal courts of the Commonwealth of Virginia.

If a claim is ever made against the Bank and the Bank must repay to any person any amounts received for the account of the Borrower by reason of any judgment, settlement, or alternative, I/we will be liable to the Bank for all such amounts as if they had never been paid, regardless of the status of the Borrower or its obligations or this guaranty. I/we waive all rights with respect to the Borrower or any guarantor for contribution, subrogation, set-off, indemnification or reimbursement for any payment made by me/us under the guaranty, and all rights to raise any other defenses of a surety or any defense available to the Borrower.

This is a continuing guaranty and will remain in effect unless and until I/we give notice of termination to the Bank. Termination shall be effective only upon the passage of five (5) days from the Bank's actual receipt of notice of termination at its offices at Post Office Box 15260 Chevy Chase, MD 20897-2505 and such termination shall not affect any obligation or liability then outstanding or any renewal, modification, or extension thereof including, but not limited to, the amount of any undrawn credit line or commitment to lend, whether or not conditional.

As collateral security for the payment of any and all obligations of the Borrower to the Bank, I/we grant to the Bank a security interest in and a lien upon and right of offset against all moneys, deposit balances, securities or other property or interest therein of mine/ours now or at any time hereafter held or received by or for or left in the possession or control of the Bank or any of its affiliates, whether for deposit, safekeeping, custody, transmission, collection, pledge or for any other or different purpose.
