Dear Mark,

Thank you for the phone calls today and letting me know what the pay off amounts for the funeral of Patricia Puckett (Nov 2006). I appreciate your prompt response to my message I left yesterday.

Enclosed are two checks for the entire amount due on the accounts (# 601662 for \$942.73 and # 801660 for \$1851.72). Please send us a final statement indicating the account is paid in full. My brother-in-law, Gregory Puckett, will be checking with you in a couple of weeks regarding the finalization of the headstone. We ordered a combined headstone for both Mr. Allen Puckett and Patricia Puckett. This means replacing the one that is currently laid for Mr. Allen Puckett. Please check to see if the order is intact and/or if it has already been laid.

Thank you for assisting us in finishing our duties to my mother-in-law. If you have any questions, please don't hesitate to call me. As you know, we were a bit dazed during November of 2006, so we cannot recall all the details regarding the headstone. We do wish to get that completed however. I hope paying off the account will move us forward in that task.

Sincerely,

Marcelyn
