October 7 [Sent from Mobile](#)

[Andrew Corbett](#)

- I'm trying to build a case to prevent being disenrolled
- So I'm asking you to be a character witness
- Means you write a statement about me saying good things essentially
- You don't have to if you don't want to
- But it would help greatly

October 7 [Sent from Chat](#)

[Antoshka Alexandrovich Ksendz](#)

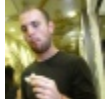

- tell me who will be reading it
- bcs im borderline getting disenrolled

October 7 [Sent from Mobile](#)

[Andrew Corbett](#)

October 7 [Sent from Chat](#)

[Antoshka Alexandrovich Ksendz](#)

- hahaha
- [Andrew Corbett](#)

- Hey brown

Question what's your number

And would you be willing to be a witness in my hearing

October 10

[Mitchell Brown](#)

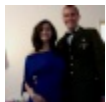

- IDK Bro. That might be pushing it for me. I am supporting you but I feel like it would be a conflict of interest if I decided to be a witness. What does being a witness entail anyways?

October 10 [Sent from Mobile](#)

[Andrew Corbett](#)

- It technically isn't a conflict of interest because you wouldn't testify against but instead would be more about my character
- Like Andrew did this which makes him this
- You could also submit something in writing

October 11

[Mitchell Brown](#)

- Let me know what you would like to write.
