Re: A Plus E Auto Brokers
Case No: 2011-0401-000187- 01 thru 017 and Sallaum Group

Dear Attorney Faraj;

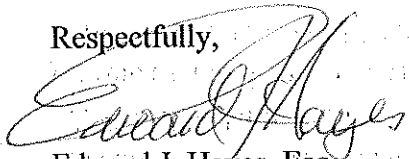

This law office represents Mr. Elie Houayes, D/B/A A Plus E Auto Brokers. On or about May 27, 2011, the United States Department of Treasury seized my client's vehicles and to date has yet released to them. The circumstances of the seizure are established in your letter sent to the Office of Foreign Asset Control, so I won't belabor it here. My client has been in contact with Mr. Sadek of Sollaum Group and an agreement has been reached to reimburse my client for the loss of his vehicles and his expenses.

The agreement calls for my client to be paid the sum of \$170,920.00 plus legal fees of \$2500.00. Mr. Sadek had previously advanced my client \$100,000.00 and Sadek suggested that that money be returned and a check to cover the entire amount would then be proffered to my client. I would assume that your office will be drafting documents for Sollaum Group.

My client will not be available for the next week or so, however he has given me authority to act on his behalf to move this matter forward.

We will await contact from your office on how you wish to proceed.

Respectfully,

Edward J. Hayes, Esq.
