REQUEST FOR
CONTINUANCE

Defense counsel respectfully requests that the Article 32 hearing presently scheduled to commence on 25 March 2010 be rescheduled to commence on 12 April 2010 at the Joint Law Center, MCAS Miramar, California.

The reason for the delay is that the new date proposed accommodates the schedules of trial counsel, defense counsel and the investigating officer. Also, a motions' hearing in another General Court Martial was going to take place on 25 March 2010 that involved counsel from both the defense and prosecution in this case. Finally, the accused is not in any pretrial restraint. All delay incurred by granting this continuance will be incurred for speedy trial purposes and RCM 707 on the defense and the accused.

I certify that this Request for Continuance was served on trial counsel via email on the date listed below.
