*Re: Representation in my case* 10-20438

Dear Mr. Warshow:

This letter is to inform you that I no longer wish for you to represent me. I have expressed my desires to you on several occasions. Yet you have refused to take any action to *notify the court*. *Effective the date of this letter you may consider yourself relieved from further representation*. I will seek the help of another attorney. The reason I no longer desire your representation is your lack of attention to my case. I rarely hear from you and do not feel like you care about my interests. Please notify me of your actions to effectuate my request. If you fail to honor my request, I will send a letter to the judge to notify her of my desire to change counsel.

Sincerely

Hassan Aoun
