***Re: Furat Phone Telecom, LTD Property Damage Claim Response 10-1L7-T025***

To Whom It May Concern,

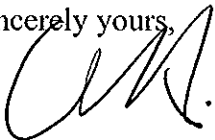

Our law firm has just been retained to represent Furat Phone Telecom, LTD. I have reviewed your undated correspondence constituting "notice of proposed final action" which was received by my client approximately two weeks ago.

Mr. Haytham Faraj will serve as counsel on the case and author the request for reconsideration contemplated in your letter. We would request an additional 30 business days to submit such a request for reconsideration. I would estimate that submission date to be close of business on 5 October 2010. A survey of AR 27-20 indicates a usual and customary period of 60 days to provide a request for reconsideration. This request would not fall outside of that parameter.

Thank you in advance for your assistance in this matter. A response in writing is requested.

Please direct all future communications regarding this matter to Mr. Faraj or myself at (202) 285-5153 or in the alternative via e-mails [haytham@puckettfraja.com](mailto:haytham@puckettfraja.com) or [eric@puckettfaraj.com](mailto:eric@puckettfaraj.com).

Sincerely yours,

Eric S. Montalvo
