RE: Tommy Burden's final accounting

Hello - my email is acting up, so either call me please or email your response to Don - donb@point4data.com - thanks.

I haven't as yet received the "packet of info" for Tommy that was presented to the Naval Board. I understood I was to have <sup>a copy of</sup> that for our files. (I never have seen the recommendation letter from Peter Fuerbringer.) Please update me on this.

A final accounting of billing would also be appreciated.

Happy New Year!

Sincerely,  
Pam
