Return Policy Text

1. Manufacturer Warranty

a. Summary

- i. Return for refund within: non-refundable
- Return for replacement within: non-replaceable

b. Detail

- i. Newegg.com does not offer any express warranties. However, many of the products available through Newegg.com are covered by Manufacturers' Warranties. If a product is covered by a manufacturer's warranty, it will be stated on that product's web page. Manufacturers' warranty details are typically available at the manufacturer's website; click [Contact Manufacturers](#) to see a list of the manufacturers whose items we carry. Detailed manufacturer warranty information can also be obtained for free by contacting our [Customer Service](#) department. Please note that products in this category are **non-refundable** unless otherwise indicated.

Products that state "*This item can be returned to the product manufacturer only*" must be returned directly to the product manufacturer for repair or replacement, unless otherwise required by law. For these items, the warranty policy provided by the product manufacturer explicitly requires that any returns, repairs etc. be requested and processed directly by the consumer (or "end-user") of the item.

2. --Mail In Rebate Policy

a. Summary

- i. Products missing UPC codes or serial numbers from the box are NOT returnable.

b. Detail

- i. Products offering mail-in rebates are not returnable to Newegg.com once the rebates have been filed. Be sure that the product is functional and that you intend to keep the product before sending in for your rebate. Products missing UPC codes or serial numbers from the box are NOT returnable. Only the product manufacturer can replace any defective item missing the UPC code.
