*Re: Request to have a teammate pickup a race packet*

Dear Ms. Franklin,

I request that you permit Mr. Robert Keating or Mr. Tommy Muir, my teammates, to pickup my race packet. I registered for the race many weeks ago intending to be present for the expo and packet pickup. Since then I was scheduled for a court appearance in the District of Columbia on the afternoon of November 18, 2011. I am an attorney and must be present to represent my client in the case. I cannot avoid making that appearance. I, accordingly, will not arrive in Tucson until 11:00 p.m. on Friday November 18, after the expo and race packet pickup has closed.

Pursuant to your requirements I have read and understand the rules which I have attached to this letter and signed. I have also attached my flight itinerary. I am an experienced cyclist and triathlete and have participated in numerous races. I will be riding with my team consisting of a total of five experienced cyclists who will inform me of any road closures or changes to the rules based on the brief that they will receive.

Thank you for accommodating my request. My delay in arriving is unavoidable.

Sincerely,

Haytham Faraj
