2. In response to paragraphs 1-6 of your written request, all of the requested information is available via the government's expert witness Dr. Thomas Grieger. Dr. Grieger is available to speak to the defense, and in fact has done so. However, in response to your request:

f. In response to paragraph 6 of your request, Dr. Grieger has produced roughly three pages of handwritten notes which he will bring with him on 12 December for the start of trial.

3. In response to your email request for contact information for LT Andria Jones and LT Anne Gilson, that information was provided to the defense in the government's modified witness list with the government's supplemental page 56 matters on 10 November 2011.
