To the Court Martial Panel:

My name is Sally Stone and I am writing to on behalf of my neighbor and friend, Terry Lakin. We first met the Lakin family after they moved into our neighbor, about 5 years ago. Since then, we have become fairly well acquainted, as our children play together frequently. We socialize on a regular basis in large part due to our childrens' friendships and neighborhood gatherings.

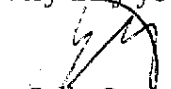

The Terry Lakin I have come to know, is a dedicated family man, who respects and cherishes his family and the time spent with them. He is also a giving man, who thinks of his neighbors needs and strives to help his neighbors. For example, during last winter's blizzards, Terry must have shoveled at least five driveways. Just ask and Terry will be there to help you in any way he can.

Although I have a law degree, I am not a litigator and have no working knowledge of military law. I do, however, know that the Terry Lakin I know, is a man of good moral character and should be granted leniency. Imprisoning Terry will be a great hardship for his family, who depend on him for their financial and emotional support.

I hope and trust that you will consider that any punishment Terry receives impacts his wife, eleven year old daughter and eight and two year old sons.

Thank you for your consideration to this matter.

Very truly yours,

Sally Stone
