OREGON INSTITUTE OF TECHNOLOGY

THE EDGE

April 11, 2008

Volume 21 Issue 8

Let the voting begin

by Christie Wuerst
staff writer

Starting Monday, April 14, ASOIT election candidates will begin campaigning. Students will have an opportunity to hear candidate speeches during Super Club Sign-Up from 11 a.m.-2 p.m. and at 3 p.m., candidate debates will begin. Voting will be April 16 through May 7. Students can vote at three locations: the CU information desk, the library and the Residence Hall front desk.

"ASOIT is the voice of the students," said Chris Frazier, former ASOIT

president. "The officers sit on over 30 campus committees that all affect students from tuition and fee prices, the college union use and even academic changes like class requirements and grades. By voting in ASOIT elections, the students can ensure that the best representatives are chosen to sit on these committees and make the decisions that directly affect them. Students can make sure their voice is heard."

Election results will be announced May 9 at Battle of the Bands from 6-10 p.m. in the gym.

Academic Spotlight

Continuing from page 1

More information about candidates is available on the ASOIT website, in the ASOIT office and in the candidate pamphlets located at ballot box locations.

Each candidate has provided a brief description of why they deserve our vote. (These have not been edited for grammar or content by the ASOIT staff.)

Alpha Santiago

Position: President

The ASOIT President must have certain qualities that demonstrate an ability to lead with certain values in place. These qualities range from being compassionate, earnest and trustworthy to firm, decisive and orderly. All of which are maintained when leading with a sense of loyalty, duty, respect, selfless service, honor, integrity and personal courage. These are values that our nation's Army has instilled in me and subsequently given me a great ability to lead.

Being a soldier has given me invaluable life experience that has enabled me to not only serve my country, but to serve as this year's ASOIT Multi-Cultural Senator, student director of the Diversity Center and as one of the Tech Ambassadors for the Admissions Office. It is my belief that holding all of

these positions simultaneously has sufficiently and efficiently prepared me to be your next ASOIT President.

Thank you for your consideration and vote!

Anthony Martinez

Position: Administrative Officer

As the current director of Campus Activities, I have spent the last two years bringing successful entertainment to OIT, setting record numbers in attendance and raising morale.

I am more than dedicated to the students of OIT. I come with an open mind to everything I am involved in, and am committed to what students want most.

I feel like being a part of ASOIT will allow for me to encourage all students to let their voices be heard.

The first step in success is teamwork, and my role as a student within my years at OIT has proven to be victorious in working and collaborating with my fellow students.

What ASOIT needs is students who are willing to stand up for their peers, and I am willing and ready to take on that challenge.

Brittany Louie

Position: Finance Officer

I am running for finance officer because I am very organized and motivated to get things done. I have worked for the Student Development office for the last year and have received FERPA training along with training for club finances through banner. A good treasurer is crucial to the well-being of clubs and the allocation of student funds. I am committed to reviewing and assessing annual budgets, evaluating account balances and formulating ways to eliminate financial errors.

I look forward to serving you and assisting all clubs through the budget process. Thank You

Tommy Burden

Position: Non-Traditional Senator

Students should reelect Tommy Burden because I have a passion for accurately representing the nontraditional students on campus and their interests. Also I

am an enthusiastic and outspoken individual who wants the best for this campus and all who learn and work here. That is why I am currently heading a task force that is working towards a solution to the smoking issue on campus that is beneficial to smokers and non smokers alike. Re-election will allow me to continue representing students in the positive and constructive manner that I have.

Brain Foster

Position: Governmental Affairs Officer

I, Brian Foster, am best suited to serve the students of Oregon Tech as their Governmental Affairs Officer because of my previous experience in the position, my unrelenting attention to detail, my understanding of legal standards, and my ability to work in a team and have fun.

Governmental Affairs is a hard position in ASOIT and it needs someone who has done it before. During my last term as Governmental Affairs I, with my peers, reworked most all of the current constitution and by-laws. Additionally, I wrote the entire, first edition of the current, election by-laws. I am extremely active in current politics and able to keep students up to date, without bias, with major events to come in the following school year

through experience and diligence.

The new Governmental Affairs Officer, Gonzalo Castaneda, is looking forward to serving in his new position. Castaneda has been involved in the international dinner, We Love OIT Day and several committees

through ASOIT. Castaneda is going to work hard at lobbying OIT issues that effect students.

Non-traditional Senator. Tommy Burden has worked in student government at University Alaska as a Resident Adviser and representative in the school's first spirit committee. Burden looks forward to working for the non-traditional students and representing the students in ASOIT.

Three positions will be filled by interviews through ASOIT. The positions include one campus club senator, one multi-cultural senator, one communications coordinator and a freshman senator, which are filled at the end of summer. For further information on how to apply for these positions, visit the office of ASOIT.

MEMORANDUM

TO: Gary Reitman, Bill Cockroft
FROM: Ted Bonich
DATE: April 7, 2003
RE: April Black Diamond Service Awards

I believe that one of our Lead Operators, Tommy Burden, should be considered for this month's Black Diamond Awards. In his second season with Lift Operations, Tommy has proven to be an indispensable member of our team. He is always willing to come in early on snowy mornings and often works late to help with closing duties. He is honest and trustworthy—just ask Mike Stein who lost his Blackberry on a recent trip: "Due to the outstanding efforts of Tommy Burden my 'almost ruined' trip was saved!" His guest service skills are where he excels and can be best summed up by the following guest comment card statement made by Missy Shepard from Brentwood, Ca: "Tommy, who works chair 16, does an outstanding job. I am up here almost every week and he always has a smile on his face and is extremely friendly to all skiers/boarders. He makes your day better. I can't say enough about his attitude and effort—he deserves a round of applause!"

I agree. Tommy does deserve a round of applause. I therefore nominate him for an April Black Diamond Service Award.

April 24, 2005

To Whom It May Concern:

Tom Burden has worked for Mammoth Mountain Ski Area during the 2003-2004 and 2004-2005 ski seasons. In his first winter, Tom was promoted to the position of Lead Operator, overseeing a crew of 4-7 operators.

In his second season, Tom was recognized with Mammoth Mountains Black Diamond Service Award. Senior management awarded this for Tom's outstanding performance in guest services. Tom is an extremely reliable employee and has always been very conscientious and personable.

During his employment with MMSA, Tom has been trained and become proficient in the following job duties:

- Operating chairlifts, including Yan fixed-grip and Doppelmayr high speed detachable four and six-passenger chairs.
- Monitoring and assisting our guests in the loading/unloading process.
- Constructing and maintaining lift mazes/queues.
- Providing lift ticket validation at entry point lifts, including resolving guests ticket problems and dealing with ticket fraud.

Although Tom does not plan to return to Lift Operations full time next season, he will always be welcome and a position available should he wish to return. It has been a pleasure working with Tom and he will be sorely missed at Mammoth. Thank you for your consideration on this matter.

Sincerely,

Adam Davis

Men's soccer wins

Tech earns 2-0 victory in first home match

By STEVE MATTHIES
H&N Sports Writer

With a goal in each half, Oregon Tech thrilled a chilled crowd at Trevor Derrah Field Saturday to score a 2-0 victory in the first-ever home men's soccer match in school history.

OIT stopped Menlo in one of two matches in the men's half of the D&S Harley-Davidson Oregon Tech Classic at Steen Sports Park.

Northwest Christian and Simpson played 20 minutes of overtime

in the first men's match and finished with a 1-1 tie in the tournament that will take today off and resume at 1 p.m. Monday, when Menlo meets Northwest Christian.

OIT will play Simpson at 3 p.m. Monday in the final men's contest.

Saturday, the Hustlin' Owls had a chance to score their first-ever goal within the first few minutes of their Menlo match, but missed two point-blank opportunities on a wind-swept pitch that created problems for both sides.

Then, midway through the opening half, freshman Antonio Jaimes punched home a penalty kick, a historic goal, the first ever in OIT's men's soccer history.

"I just had to make it," Jaimes said. "I had to score. I had an opportunity and took advantage of it."

That was the last serious scoring chance in the half for either side, but OIT coach Bryan Mueller was unhappy with his team's performance in the first 45 minutes of the contest.

See MEN'S, page B3

push up as a team, play as a team and play with intensity," junior forward Katie O'Brien said. "We have to play hard all the minutes we're in there, not just 80 of the 90."

It was the second 1-0 loss in as many nights for OIT (1-2), which lost by the same score to Willamette Friday night in Salem.

Menlo put Owls' senior goalkeeper Jaclyn Unruh to work, firing shots early in each half. When the Oaks didn't apply solid pressure from the outset, they moved upfield quickly on counter attacks and forced the ball into the penalty area with several corner kicks.

See WOMEN, page B3

MEN'S

From page B1

Coach said Tech gave its opponent too many chances

"We gave them too many chances," Mueller said at halftime. "We made some adjustments and tried to take (Julian Baldaccini) out of their offensive flow. He's the best player in the (California Pacific Athletic Conference)."

It worked, but the Oaks still managed plenty of pressure on backup OIT goalkeeper Tommy Burden, who made three brilliant saves in the final 20 minutes of play.

By then, OIT had taken a 2-0 lead.

Leo Keiser scored a textbook goal early in the sec-

ond half, taking a slick feed from Dallas Bille and easily putting the ball in the net. Bille's pass came after a nice feed from Lyland Villagomez.

"Tommy did a good job," Mueller said of Burden, who was in the net because Travis Bille was sidelined by illness, something that left the Owls shy two regulars. Devin Torrey sat the match out after acquiring a red card in the first contest of the season at Northwest University, which ended in a 0-0 tie.

Villagomez, a Klamath Union grad, was one of sev-

eral Klamath Basin players making their homefield debut with OIT in Saturday's battle.

"In the first half, we didn't play that great," Villagomez said. "We were not passing the ball and had too much dribbling, and I was a part of that. In the second half, (Logan Hurst) did a good job marking (Baldaccini), and we tried to play the ball on the ground."

Both teams had to. Any ball in the air would take weird flights in the stiff northerly winds that left players on both sides befuddled.

Steen Sports Complex Klamath Falls, OR

D&S Harley-Davidson Tournament Schedule

Saturday, August 30

4:00pm - Simpson U. vs NW Christian (M)
6:00pm - Oregon Tech vs Menlo College (M)
8:00pm - Oregon Tech vs Menlo College (W)

Monday, September 1

11:00am - Menlo vs Biola (W)
1:00pm - Menlo College vs NW Christian (M)
3:00pm - OIT vs Simpson U. (M)

Tuesday, September 2

2:00pm - OIT vs Biola (W)

This Weekend's Tournament: The Oregon Tech men's and women's soccer teams are hosting the D&S Harley-Davidson Oregon Tech Classic over the Labor Day Weekend here in Klamath Falls. In the inaugural game for the Oregon Tech men, the Owls finished with a 0-0 tie at Northwest University. Goal keeper, Travis Bille, recorded his 1st shutout of the season for the Owls and totaled 5 saves on the evening. The women are currently 1-0 overall, having played Friday night at Willamette University (No score / stats available at print). All-Conference goalie, Jaclyn Unruh, recorded her first shutout of the year in their season opener at Northwest. Amy Furlan, playing in her first collegiate game, recorded Tech's lone goal in the non-conference 1-0 win. **Admission** for this weekends contests are \$4 per day for adults, \$2 per day for students and seniors while OIT students are free with ID. New this year is a fall sports pass for \$30, which gets each fan into all home volleyball matches and all home men's and women's soccer games for the 2008 season. Enjoy the D&S Harley-Davidson Tournament.

Three Owls Receive Player of the Week Honors

PORTLAND, OR - Oregon Tech Goal Keepers Megan Ross and Tommy Burden along with midfielder Devin Torrey were named Cascade Conference "Players of the Week" as released by the league office on Monday.

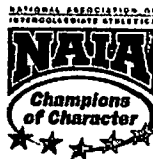

Megan Ross (Medford, Ore), a 5-11 junior goalkeeper, posted her second and third shutouts of the season as the Owls blanked Simpson 2-0 and Pacific (Ore.) 1-0 last week. Ross, who has allowed just one goal in 405 minutes this season, had seven saves in the two matches.

Devin Torrey (Medford, Ore.), a 6-2 senior midfielder, had a pair of goals in Tech's 5-1 win over Simpson, and then hit the game-winning goal with just three

minutes to play in a 1-0 victory over Willamette.

Tommy Burden (Costa Mesa, Calif.), a 5-11 junior keeper, made three game-saving stops in a 1-0 victory over Willamette and allowed just one goal (on a penalty kick) in a 5-1 win over Simpson as Oregon Tech went 2-0. Burden had six saves in 180 minutes in the two games.

Both the men and women soccer teams head to California this week to play at Simpson University on Tuesday and Dominican University on Thursday (*The Dominican University of California soccer double header scheduled for Thursday, September 10 has been moved from the Dominican Campus to nearby College of Marin's facilities*) The men will then host Warner Pacific on Saturday, September 12, 2009 at Steen Sports Park to kick off Cascade Conference play.
