9:40 AM me: i brought in 2 dozen donuts
so if you want one feel free to come get it
Doug: I'm still at home...
me: lazy piece of shit
9:41 AM Doug: yeah, apparently Nicole told someone that there was a
similar situation with her.
9:42 AM I get to hear it through the grapevine.
me: who'd you hear it from
9:43 AM Doug: a friend.
but, there was another link.
me: gotcha
did you confront her?
Doug: not yet.
but that she would say something like that really disturbs me.
9:44 AM me: well you guys seemed friendly the other night
9:45 AM Doug: and it wasn't her talking to me or someone who is close
to me... but it was a guy.
and I just keep hearing about more people asking questions.
me: how credible is the source
9:46 AM Doug: very.
but it wasn't that she was making a strong assertion... but trying to
infer the first time we hooked up
9:48 AM the worst part is the drugs makes people think it is more
plausible--and that ABSOLUTELY DID NOT HAPPEN.
9:51 AM and all in all, I feel very sick to my stomach.

5 minutes

9:56 AM me: sorry i was talking to nitza
she stopped by to give me highlighters
9:57 AM maybe you should talk to nicole
Doug: obviously.
me: but if you know the truth, there is nothing you can do about it
Doug: what?
9:58 AM me: i'm saying if you know that you did not do it, you can't
always control crazy ass chicks
Doug: yeah, but she's not crazy.
and I just don't think she knows that her off-the-cuff remarks can be
very damaging.
9:59 AM me: exactly
Doug: apparently, the other side may not know that the warrant was
even issued.
let alone me going down there.
so keep that silent.
10:00 AM Nicole brought up the situation in the spring, but I refused
to discuss it.
me: I got to be honest with you
Doug: she tried to say, "if it concerns me, I need to know"
me: But you've got to tell me who told you about it
Deal?

10:01 AM Just so Nicole doesn't come after me accusing me of telling you this.

Doug: wow.
I appreciate it.

11:54 PM I'm not asking any questions... I don't want to fuck anything
up.
me: she didn't know it was legal
but i think alex told her
she also said he doesn't believe her
Doug: I talked to the Lieutenant Colonel who is at USD on the LLM
Int'l Program.

11:55 PM He helped me put things in perspective all around.
me: yea you are thinking its worse than it is
it's bad
it sucks
Doug: Very much like you have been doing. And I really appreciate it,
by the way.
me: but it's not going to be as bad as you think
no problem dude
Doug: you going to FBI tomorrow?
me: yessir

Doug: haha

11:56 PM you love this shit.
me: maybe its a phase

Doug: The Marine Corps Silent Drill Team is performing on base at MCRD
on Sat.

me: which honestly makes it better for everyone

Doug: they are performing at 10am and 2:30pm
me: hm

Doug: you should tell Aaron and Jess.
