Product Description

Product Description

Continuing from Killzone 2, you'll find Emperor Visari, the vicious dictator of the Helghast, dead at the feet of Sev and Rico. However this war is far from won. In the wake of Visari's death, Helghan has devolved into a world of political scheming, rapid infighting, and murder. Now, the two most powerful men on Helghan are fighting for complete and utter dominance while Visari's vision of Helghan is in jeopardy. With limited supplies and no re-enforcements, the ISA must now fight not to win a war, but to survive a lost one.

In Killzone 3, you once again face the hostile Helghast army, battling overwhelming odds in the fight for human survival. Killzone 3 delivers a single-player campaign as well as full-featured multiplayer mode.

Face off against various breeds of fearsome Helghast enemies that wield a variety of weapons and abilities Vehicle game play is greatly increased, with the ability to do battle from Intruders, using jet packs, and accessing a number of land-based vehicle options Killzone 3 supports full stereoscopic 3D game play compatibility. texture and mesh streaming throughout the game Overall improved accessibility including better controls as well as much more varied Artificial Intelligence (A.I.) Killzone 3 utilizes the HDR audio system, allowing the game to dynamically focus the audio depth of field; hear the effects in context, making the action much more up close and personal as well as immersive
