EXECUTIVE SUMMARY

1. On 19Oct10, V/DULL reported to NCISRA Great Lakes she had been being sexually harassed and assaulted by S/SMITH. V/DULL alleged S/SMITH had made several sexual based comments to her, forcibly kissed her, and touched her buttocks, breasts, and vagina without her consent. S/SMITH was interrogated and denied any inappropriate contact with V/DULL. No eye witnesses to any of the allegations of assault have been identified. This investigation continues pending follow-up interviews of potential witnesses.

NARRATIVE

1. This reactive investigation was initiated upon notification from the Recruit Training Command and pertains to suspected violations of Article 120, Sexual assault and other sexual misconduct, of the UCMJ.
2. On 18Oct10, The Great Lakes, IL, Police Department, responded to investigate an assault allegation by V/DULL. During the investigation, V/DULL alleged S/SMITH kissed and "groped" her without her consent (Exhibit 1). After the sexual based allegation, the GLPD referred the investigation to NCIS.
3. On 19Oct10, Detective Keith GRISSETT interviewed V/DULL. V/DULL explained she had been sexually harassed by S/SMITH during her recruit training. V/DULL explained S/SMITH's sexual based comments escalated to him touching her buttocks, breasts, and vagina (Exhibit 2).
4. Continuing on 19Oct10, Detective GRISSETT interviewed SN Patricia Rae GATES. GATES provided background information; however, she had no first hand knowledge of the assault. All of SN GATES' knowledge of the assaults was told to her by V/DULL (Exhibit 3).

HE ALSO GRABBED ME BY THE HAIR AND YANKED MY HEAD BACK TWICE.
HE STARTED HITTING ME LAST WEEK IN THE ARMS MOSTLY, BUT HE HIT ME

STATEMENT

Place : NCIS BLDG 2

Date : 1050 - 10-19-10

I, Patricia Rae Gates, make the following free and voluntary statement to DET GRISSETT whom I know to be a Representative of the Naval Criminal Investigative Service (NCIS).

I fully understand that this statement is given concerning my knowledge of fraternization between a Senior Chief and one of my Shipmates. Around the second week of bootcamp my Shipmate SR Dull confided in me some information about the interactions between her and our RDC Senior chief Smith. At this point she was telling me about how Senior Chief was flirting with her and making unwanted comments towards her, including comments about her body. Not too long after Dull had to go to ship storage to get supplies for our compartments head. Since an RDC has to be with, Senior Chief went with her. Later that day/night Dull told me that he had tried to kiss her while they were getting the supplies, but she turned away and made it clear that she didn't want it.

STATEMENT

Date: 19 OCT 10 / Intls: PRG

Ever Since that day there has been repeated attempts of him trying to kiss ~~her~~ her and touch her Inappropriately. These attempts would usually take place in the head while he was supposed to be inspecting it. She told me of multiple times where he tried to reach down her pants, and even down her shirt. When she would tell him not to, or turn away he would get upset and hit her, but then play it off as if he were just joking around. Around this time he started saying things about how he was going to get to her after graduation and that he'll find her over at her A School. He also started telling her that he was going to make the rest of her time at bootcamp hell, if she didn't give him what he wanted. He still tried even though she still continued to make it clear she did not feel the same, and did not want anything to happen with them. Just about two days ago

STATEMENT

while Senior chief and Dull were walking the head to inspect it, I stood close to the door on the inside to see if I could hear them because I was starting to get ~~was~~ very worried ~~to~~ about everything. I could not hear their ~~conv~~ conversation just that they were talking, until it got silent for a few seconds. I found it odd, but waited until they were finished to ask Dull about it, when I did she said she didnt want to talk right then so I said ok, figuring she'd tell me later. During Academic Study that night Dull wrote in my training guide something about him grabbing her by the throat in the head, and then she told me thats why it got so quiet. I told her then that I was really getting ready to say something if she didnt because it was at the point to where if neither of them were in my sight I was worried about her and what could be happening. Then yesterday while inspecting the head Dull said that Senior chief told her that for every hit he finds in the head she either has to kiss him or he'll hit her, and since she wouldnt kiss him, he hit her. She

STATEMENT

told me about this and showed me the marks on her arms, her wrist, and she had previously shown me the one by her hip/butt, so I told her that was absolutely it, that she HAS to tell, so she said once senior chief left for the night she'd talk to Petty Officer Wanner, so she did, and she also talked to Petty officer Gladding and even our brother Divisions RDCs. The next thing I knew she was getting taken from our compartment for the night, and I got called in this morning. Also, yesterday Senior Chief did end up kissing her twice, even though she told him not to.
