Dear Mr. Hamade

I have brought your offer of monthly payments of \$500 per month to Mr Haidar of Mastersales LLC. He has declined because he does not trust that you will honor your debt obligation. Mastersales demands immediate payment in full for the returned checks in the amount of \$3564.50 in addition to \$1250 in attorney's fees for a total of \$4814.50. Failure to remit the all money due by April 15, 2010 will result in my seeking to enter a default judgment against you.

You may reach me at 313-457-1390.

Sincerely,

Haytham Faraj Esq.
