

Esteemed Mr. M.M40  
Subject: Nu'il Hirmiz

1. The said individual is Christian, of Iraqi origin, and a naturalized American. He was elected member of the politburo of Bet-Nahrain Assyrian party in 1988. In 1996, he was appointed Secretary General of said party.
2. In the past, to show loyalty and commitment and to confirm his willingness to cooperate with the state, he expressed a desire to visit the country. The subject matter was presented to the esteemed Mr. Director of Service (attachment 1) who advised us to prepare a study paper about the Assyrian organizations to the Honorable Presidency, but a decision was made later to refrain from doing so, and we have not received any guidance about the abovementioned's visit.
3. D4/2/1 notified us in a side note that their source who is appointed to follow-up on the subject matter will be in the country during the second half of the current month, March. D4/2/1 also asked if we have any questions about him.

Kindly, review and we suggest meeting the source of D4 to get details about the matter directly from him in order to present it one more time to Esteemed Mr. Director of Service.

At your command,
