I WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:
Thursday night, Saleh arrived to the house to talk about personal issues with his wife. Houda asked him to leave, Saleh started to argue his wife cheated on him and all arab women are the same. When he stated he wanted to have sex with her, I love you, I've been loving you a long time. When she asked him to leave he, shoved her to the couch in the Dining room. When he grabbed a small glass rectangle in shape ordermint, and placed it to Houda's neck left side. When she pushed him away and proceed to run upstairs when Saleh grabbed a Kitchen Knife and chased after her. When she ran straight to the bedroom where Saleh followed her and placed the knife in front of her and threatened if she did not have sex he would kill her, and stated he was a badass, and was training how to kill people so it would be easy for him to do so. When he began to rape Houda. For approximately 10 min. Once the incident was over Saleh stated he would kill her if she told anyone.
