

AFFIDAVIT

I, Elie Houayes, hereby state the following to the best of my knowledge and recollection:

Approximately May or June I sent an email to Sallaum Group requesting 17 vehicles be consigned to Societe Rhea in Africa. Sallaum Group prepared the appropriate shipping documents that allowed me to gain access and stage the vehicles at the port for shipment. The consignee listed on these documents was Societe Rhea. Once the vehicles were stage at the port I was under the impression that everything was fine and the vehicles would be shipped. I was informed later that my vehicles had been seized by United States Government. I intern called Sallaum Group and asked, "Why was the vehicles seized?" Sallaum Group stated that they made a mistake and the wrong information was placed in the Automated Export System (AES). While filling out the forms to report the vehicle in question into the Automated Export System someone entered Elisa Group as the consignee instead of the correct consignee Societe Rhea.

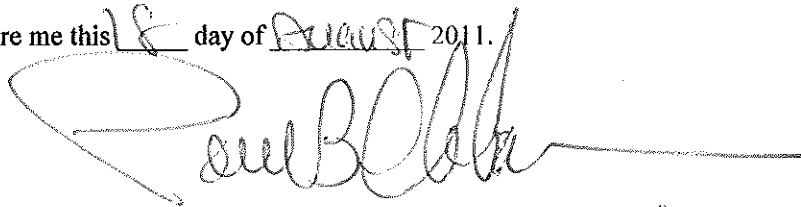

I, Elie Houayes, do hereby swear under penalty of perjury, that the information contained in this document is true and correct to the best of my knowledge and belief.
