3. **(Observation and Opinion of Character Traits)**

A. Military I have had the pleasure of being a co-worker with Major Rowe for the past fourteen months. During this time I have found him to be reliable and thoughtful. He has assisted me on several work related requirements, such as officer candidate selection boards and organizing transportation and training facilities for candidates. He is known for carrying a positive attitude in the office which I believe promotes a good relationship amongst others.

B. Opinion on Military Character - Based on my limited observations and knowledge of Major Rowe, I can easily say he conducts himself with integrity. Even though I have only known him for 14 months I credit him to be dependable, honest and knowledgeable on supply and logistic needs. I understand he was recently relieved of duties and now pending violations of the UCMJ. I still maintain a favorable opinion about his military character.

C. Law Abidingness/Truthfulness - Same as above

4. Maj Rowe has displayed the traits and characteristics of a leader of Marines. He is a talented Marine Officer with excellent command presence and a strong moral compass. If there are any questions, please do not hesitate to contact me at (816) 842 - 3922.

Respectfully Submitted,
