Subj: REQUEST FOR GRANT OF IMMUNITY IN THE CASE OF
MAJOR PIETRO P. SCARSELLI XXX-XX-4846

1. Captain Thomas J. Beck has been identified as a prospective defense witness in the above captioned general court-martial. At an Article 32 investigation held 4 February 2010, in a related case, Captain Beck made sworn statements that directly conflicted with accounts provided by numerous other witnesses, to include co-Accused.

2. Following his statements, Captain Beck retained counsel and has refused to answer questions posed by either government or the counsel for the Accused. All indications are that he will invoke his 5th Amendment right against self-incrimination should he be called as a witness in United States v. Scarselli.

3. In the interests of justice, is respectfully requested that Captain Thomas J. Beck be granted testimonial immunity in accordance with Rule for Courts-Martial 704 and ordered to testify in the subject case, to ensure that the Accused is provided a fair and impartial hearing at his court-martial.

4. Please use Captain David Gilinsky, trial counsel in the subject case, as a point of contact for any additional questions or information. He can be reached at (760) 830-9077 or david.gilinsky@usmc.mil.
