In the name of Allah, The most Merciful, The most Gracious

Dear brother, the esteemed Salah Al-Hadithi

A brotherly warm greeting,

Find attached a letter addressed to Mr. Minister of Foreign Affairs from "Nu'il Hirmiz", Secretary General of Bet-Nahrain Party. He had sent it via the friend 'Isam Hamama. We have asked him, through the friend 'Isam, to present a request for the matter that the letter was about on a Bet-Nahrain party letterhead. He was somewhat hesitant and did not deliver the correspondence until settling on the formulation of the addressed letter. It is worth mentioning that we do not know details about Nu'il Hirmiz at the present time but the honorable Ministry may find something of use in his letter. Kindly, provide us with advice so we have the chance

to inform the persons of concern of it or inform us of whatever you see fit. You will also find attached Friend Isam's letter in this regard.

Accept our most sincere respect and appreciation
