## DETAILS

About 1738, 23 Aug 10, SA BRATTON interviewed SPC Mohammed CHAHTI, xxx-xx-2750, 51st TICO, Fort Irwin, CA 92310. SPC CHAHTI provided a Sworn Statement stating that he met Hoda through one of his co-workers and that she had called him on the 22 Aug 10, and asked him to come outside and to bring his Koran with him. When he got outside to her car she made him swear on the Koran that he would not say anything. After he was done swearing she started to cry saying that SPC SALAH had raped her. SPC CHAHTI then told her that they needed to call the Military Police, but she didn't want to because she thought that SPC SALAH would kill her. SPC CHAHTI then told Hoda to call SPC SALAH and have him come over so he could hear him say that he had raped her. Hoda stated that if she had him come over then he would check all the rooms to see if someone was there. SPC SALAH then suggested she should buzz him on his cell phone before she answered the door and to leave the back gate open so he could come around the back. SPC SALAH then witnessed Hoda call SPC SALAH and tells him she needed him over at her house in 20 minutes. Hoda then left and SPC SALAH went to the PX. As soon as he arrived at the PX he received a phone call from Hoda. She was crying and screaming and he could not understand what she was saying, so he left and went over to her house where he then called the Military Police.

AGENT'S COMMENTS: Within SPC CHAHTI's sworn statement, he was asked, "Do you know why Salah would come to you with this information?" This question was referring to Mrs. CHAJI, not Salah. SPC CHAHTI answered, "She said that she trusted me" which implied that he knew SA BRATTON referred to Mrs. CHAJI and not SPC SALEH. ///LAST ENTRY///
