## **Diesel and Automobile Gasoline for US Embassy in Kabul, Afghanistan 2010-2013**

The U.S. Government intends to competitively solicit and award three requirements for the United States Embassy in Kabul, Afghanistan; using best value source selection procedures. The first requirement is FOB Origin within city limits for an anticipated 1,700,000 US gallons of diesel fuel (SPEC GOST 305-82; NSN: 9140-01-492-7612). The second requirement is FOB Destination for an anticipated 330,000 US gallons of diesel fuel (SPEC GOST 305-82; NSN: 9140-01-492-7612). The third requirement is for an anticipated 330,000 US gallons of unleaded automobile gasoline (NSN: 9130-01-526-4844).

### **\*NOTE\***

*This is a multi-year procurement; period of performance is September 1, 2010 through August 31, 2013. The response date for this solicitation is May 14, 2010 1500 EST. These requirements may increase during the delivery period and be met by supplemental solicitations.*
