CARLOS ROWE, USMC

Ref: (a) SECNAVINST 1920.6C

1. Per the reference, the defense submits a continuance request to continue the board of inquiry in this case until 21 January 2010.

2. The purpose of this delay request is that the civilian defense counsel, Haytham Faraj, is in trials until that time period and he is available on 21 January 2010. The recorder Maj Pete Houtz also indicated that he did not personally oppose this continuance request.

3. Thank you for your consideration.
