To: Washington New York Washington/64 New York

Issue: 53

Date: 4/8/1997

The elements responsible for the Assyrian organizations in the U.S.A. O were granted permission to visit the country in their personal capacities away from any party or political titles by which they may be called. O By submitting an official request to you O we will facilitate their entry official procedures; arrange a visitation program as well as meetings for them with the prominent members of the Assyrian community in Iraq in order to clarify the facts about the care provided by the state for the community. O Notify us once any of them submits a request in this regard, and pay attention to this matter. O End.

Measures necessary were taken
