

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION

UNITED STATES OF AMERICA,

CASE NO. 08-20314

Plaintiff,

v

HON. NANCY G. EDMUNDS

ISSAM HAMAMA,

Defendant.

**STIPULATION TO ADJOURN TRIAL
AND FOR FINDING OF EXCLUDABLE DELAY**

On April 70, 2009, the parties appeared before the Court for a pre-trial conference. In light of the need to address pretrial motions and the complexity of the case, the parties agreed to adjourn the trial, previously scheduled for April 13, 2010, until August 9, 2010. Such delay is necessary to the preparation of the defense and prosecution of the case. The Defendant is not confined. Pursuant to 18 U.S.C. § 3161(h)(7)(B)(ii), the parties stipulate that the extended time period shall constitute excludable delay, and that the ends of justice served by this delay outweigh the best interests of the Defendant and the public to a speedy trial, due to the complex nature of the case.
