I called in CASEVAC requirements for the three friendly casualties after the IED explosion. I handed the radio to Lt. Kallop some time after I called in the reports. I took the radio back from Lt. Kallop before he left the scene. I called in BDA after the clearing of houses as far as possibly having collateral damage. I don't recall exactly who the transmissions went through except that they went to the company.

Subscribed and sworn to before me this 18th Day of March 2006.
