

# Merry Christmas and Happy New Year!

*Dear Friends and Family,*

*It's been a wild and crazy 2011! Neal is the managing partner of the law firm and it has had great changes for the better this year. His business chops are getting sharper. Marcy is making strides with her business and is still supporting the law firm when he asks her to help. She was the concert program manager for the Northern Virginia Community College Civil War Concert held on November 11th. It was a huge success and she arranged two of the pieces of music for the concert - pieces that haven't been heard in over 150 years! So that old Music Education degree hasn't gone to waste after all!*

*Neal's son Sean and beautiful wife Catherine moved into a house in San Diego with their two boys and both are happy at their new jobs. Sean is First Vice President of Regents Bank in San Diego, effectuating a move from California Bank and Trust in November. Catherine has her own business through Melaleuca, a home and personal health care products*

*company. The boys, Connor and Mason, are loving life in southern California and are already car guys like their Dad.*

*Iris, Violet, & Harper Kean*

*Neal's daughter, Jocelyn and her family are happy in Bellevue, Nebraska. Husband Chris, is an Air Force LtCol, who assumed duties this year as a Detachment Commander at Offutt AFB. His unit supports training requirements for Air Combat Command. Harper is in second grade and is a new Cub Scout this year. Violet is in pre-school and is the storyteller of the family, creating novellas about every animal on the planet! Iris is 3 and loves having Mommy to herself during the week and being the princess of all she surveys!*

*Marcy and I wish you all a Merry Christmas and a wonderful and happy 2012. We firmly believe the worst is behind our country and there are only fair winds and following seas ahead. We wish you all health and good cheer this season.*
